## INTRODUCTION

Volume 1 and 2 of NC JOLT were produced solely online as the goal was to make legal scholarship ready available via the Internet. Electronic publication is the future of legal journal publication, and by no means is NC JOLT going to jump off that track. However, we have found that some friends, members, and libraries would like to also have paper copies of our journal. The Volume 3 team is proud to offer an archival paper copy of Volume 1 and 2 combined.

NC JOLT's original intention, as evidenced in Volume 1, was to use a citation method based on article number instead of page number. With Volume 2, we decided that this makes citation of our journal cumbersome. So while we want to be on the cutting edge of legal scholarship delivery, the Volume 2 board decided to allow for appropriate Bluebook citation. Here we have provided page numbers for Volume 1 for reference purposes, but the proper citation of NC JOLT Volume 1 is by the article as a whole.
