*Keep abreast of all major changes
in the criminal law with*

The CRIMINAL LAW REPORTER

To keep up with all that's happening today in the rapidly changing field of criminal law, you need The CRIMINAL LAW REPORTER. The scope of the REPORTER is as broad as the field it covers, ranging from the day-to-day interpretation and application of the existing criminal law as reflected in the opinions and proceedings of courts at every level . . . to the formulation of new legislation . . . to unconventional (and controversial) proposals for socio-economic approaches to crime and the criminal.

Each week you get a crisply written review and analysis of the latest criminal law developments. You get Supreme Court proceedings, arguments, actions, and filings. You get decisions and proceedings of federal courts of appeals and district courts, as well as the principal courts of all the states. You get a roundup of notable actions in Congress and the state legislatures. You get digests of reports and recommendations of commissions, associations, committees, the bar, and the press. You get the full text of all opinions of the U.S. Supreme Court in criminal cases, and of significant federal legislation. You get cumulative indexes every six weeks, and a final index for the six-month period covered by each REPORTER volume.

You get all this—plus a sturdy filing and reference binder—when you get The CRIMINAL LAW REPORTER.

PRINTING LAW REVIEWS

Is Easier with Modern Equipment
and Efficient Techniques.

For printing books,
Our plant is one of the most modern in the industry

- Building** — New, 26,000 feet all on one floor. Lincoln, Nebraska is centrally located for fast mail and freight service.
- Typesetting** — Built around a PDP 11-70 Digital computer. Input may be OCR scanable copy, magnetic tape, Vydec disc, telephone lines from your office if you have the correct equipment, or direct from terminals in our plant.
Output is a complete page with head, footnotes, page numbers, etc. in place. Checking galleys is no longer required. You save time and money since your first proof will be "direct to page." We can set a complete average size Law Review in two hours.
- Pressroom** — We have a two unit web press capable of printing the average Law Review in less than four hours. Also sheet fed presses for covers etc.
- Bindery** — On line gathering and perfect binding. Time for the average Law Review is two hours. We also Smyth sew, which is definitely better than perfect binding, but does cost a little more. Your choice.
- Mailing** — We handle the mailing complete. Packaging in Polyethelene film with mailing list kept up to date on Addressograph plates or in our computer.

The problems associated with getting our Computerized Typesetting system on line were monumental. However, the results today have made it all worthwhile.
