**NOTES:**
1. Template 1 includes Servicing Performance for the Total Servicer Portfolio.
2. Delinquency is based on MBA methodology.
3. Delinquency items a-f are mutually exclusive (e.g. all loans in bankruptcy are included in Bankruptcy, line e, regardless of delinquency status. “Bankruptcy” refers to borrowers in pending bankruptcy cases).
4. Any differences are due to rounding.
5. The sum of the individual state amounts does not agree to the national total amount due to the fact that some jurisdictions are not parties.

**NOTES:**
6. Only activities that may result in consumer relief credit are reflected in this report.
7. Line Item 1a: Trials Offered/Approved represents all first lien mortgages where firm modification offers were made to the borrower.
8. Line Item 1b: Trials Started represents all first lien mortgages for which the first payment had been made in a trial modification. Trial may have been Offered/Approved in current or prior quarter.
9. Line Item 1c: Completed 1st Lien Modification Forgiveness represents finalized first lien principal reduction permanent modifications (including converted trial modifications).

**Notes:**
1. Template 1 includes Servicing Performance for the Total Servicer Portfolio.
2. Delinquency is based on MBA methodology.
3. Template 1 line items a-f are mutually exclusive (e.g. all loans in bankruptcy are included in Bankruptcy, line e, regardless of delinquency status. “Bankruptcy” refers to borrowers in pending bankruptcy cases).
4. Any differences are due to rounding.
5. The sum of the individual state amounts does not agree to the national total amount due to the fact that some jurisdictions are not parties.

**NOTES:**
1. Only activities that may result in consumer relief credit are reflected in this report.
2. Line Item 1a: Trials Offered/Approved represents all first lien mortgages where firm modification offers were made to the borrower.
3. Line Item 1b: Trials Started represents all first lien mortgages for which the first payment had been made in a trial modification. Trial may have been Offered/Approved in current or prior quarter.
4. Line Item 1c: Completed 1st Lien Modification Forgiveness represents finalized first lien principal reduction permanent modifications (including converted trial modifications).

**NOTES:**
1. Template 1 includes Servicing Performance for the Total Servicer Portfolio.
2. Delinquency is based on MBA methodology.
3. Template 1 line items a-f are mutually exclusive (e.g. all loans in bankruptcy are included in Bankruptcy, line e, regardless of delinquency status. “Bankruptcy” refers to borrowers in pending bankruptcy cases).
4. Any differences are due to rounding.
5. The sum of the individual state amounts does not agree to the national total amount due to the fact that some jurisdictions are not parties.

**NOTES:**
1. Only activities that may result in consumer relief credit are reflected in this report.
2. Line Item 1a: Trials Offered/Approved represents all first lien mortgages where firm modification offers were made to the borrower.
3. Line Item 1b: Trials Started represents all first lien mortgages for which the first payment had been made in a trial modification. Trial may have been Offered/Approved in current or prior quarter.
4. Line Item 1c: Completed 1st Lien Modification Forgiveness represents finalized first lien principal reduction permanent modifications (including converted trial modifications).
