Stimson: CONFLICT OF LAWS

By

Edward Stimson, Professor and former Dean of University of Idaho, College of Law

CONFLICT OF LAWS COVERS A HOST OF PRACTICAL PROBLEMS

• What law governs a tort or a contract where parts of what is transpired relate to several states?

• What law applies to a decedent’s estate when the property is situated in several states?

• What states can impose an inheritance tax on the estate and what part of the estate can they tax?

• What states can tax income corporate or individual earned in one state by a person or corporation situated in another?

• Any transaction crossing state lines will involve conflict of laws problems upon which the lawyer should be prepared to advise his client.
